POS Solution

Manage your cash sales, card sales, product sales & Buddy sales with inventory and stock control.

XZ & End of Day Reporting via Slip Print. Total Sales, Gross profit, Margin Calculations.

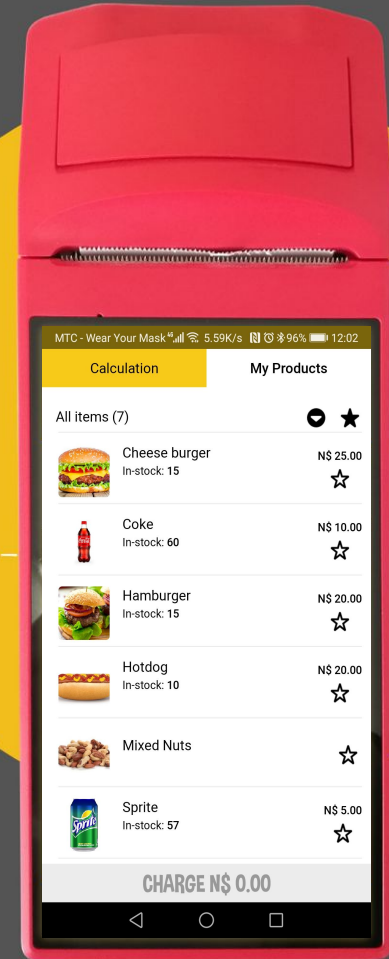

Daily reporting capabilities pull through to the Buddy cloud Business dashboard.

Inventory Management

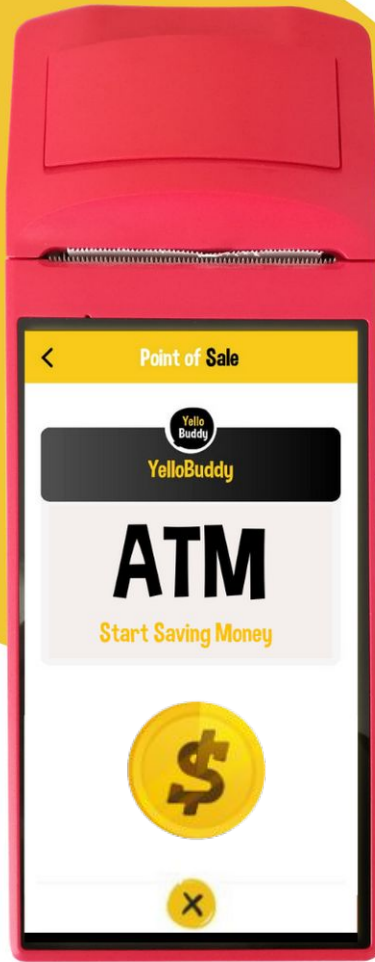

Track, Add & Manage Stock

The inventory management option allows you to accurately add and manage your stock from one device.

Great for calculating Profit Margins, Gross Profits and for viewing stock availability.

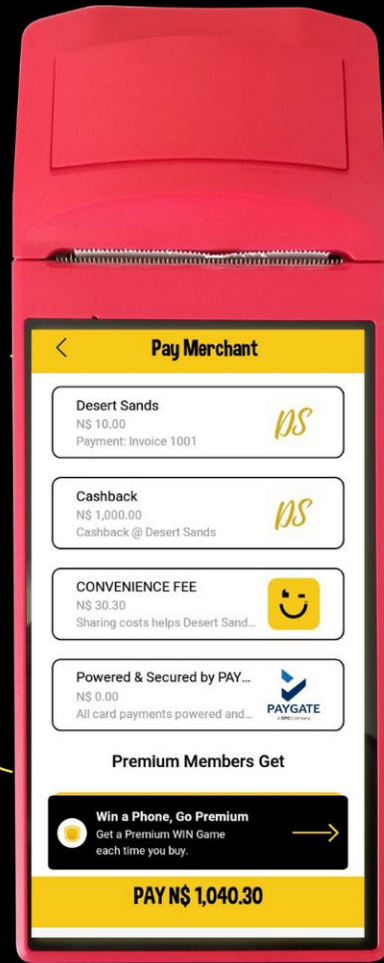

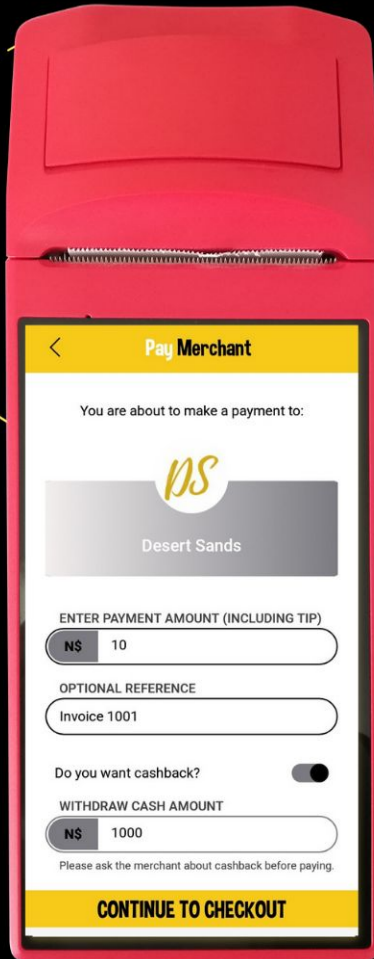

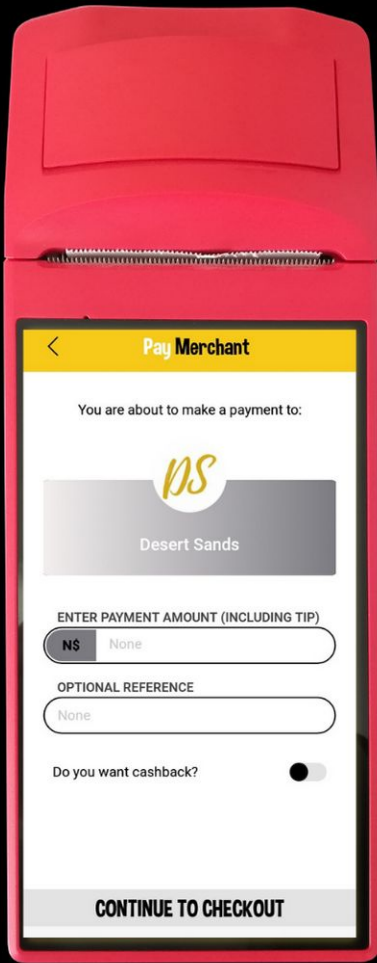

Cashout for Customers

Customers can withdraw cash from your business.

Save on cash deposit & handling fees.
When your customers make a payment with you,
they are able to request a cash withdrawal.
Select the cashback option, add the amount the
customer would like in cash,
and continue to checkout.

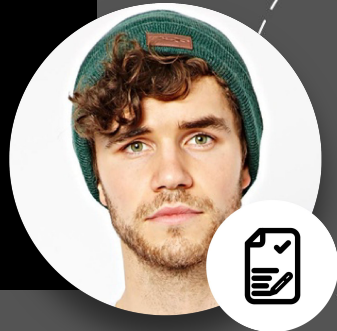

Orders

**Easily keep track
of your customers' orders online!**

View & print your e-commerce & online
orders.

Great for take-away, Restaurants and
Retailers.

Payments

E-commerce Orders

View & auto-print your e-commerce orders & history of all payments received including cash & card payments. You can view the client name, amount, date & time the payment was made.

Redeem Vouchers cont.

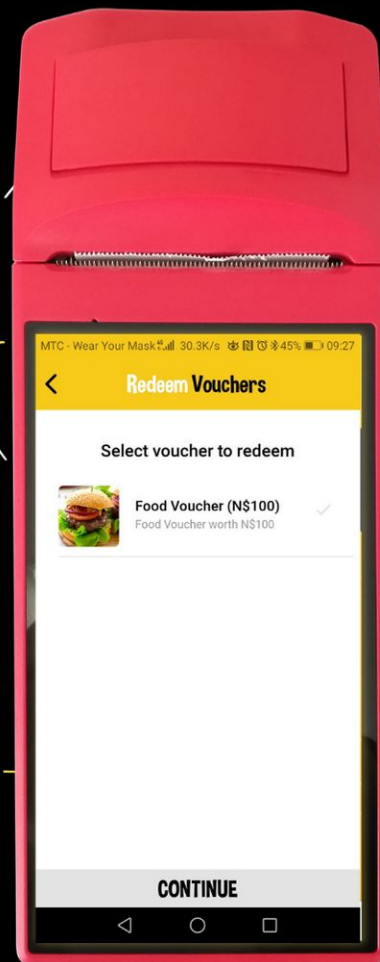

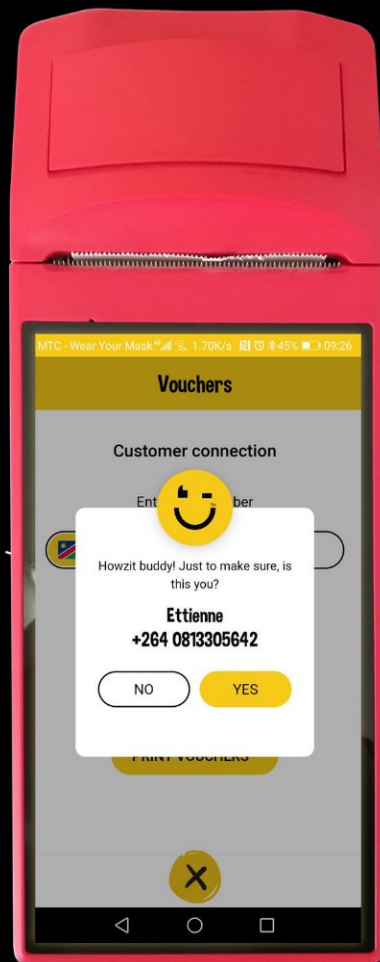

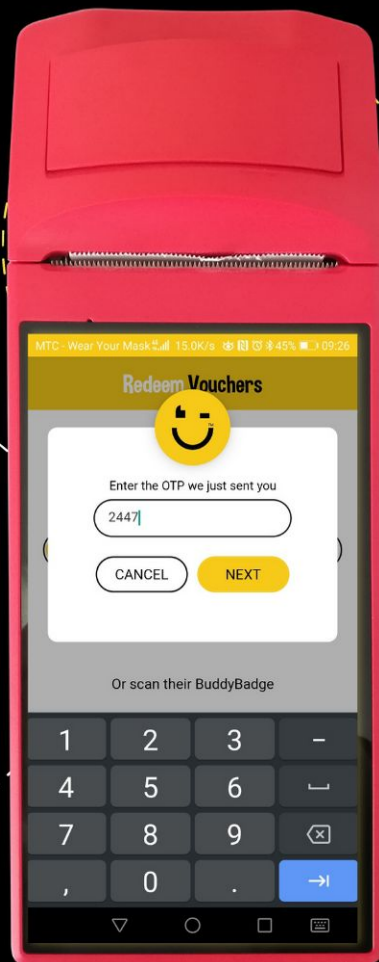

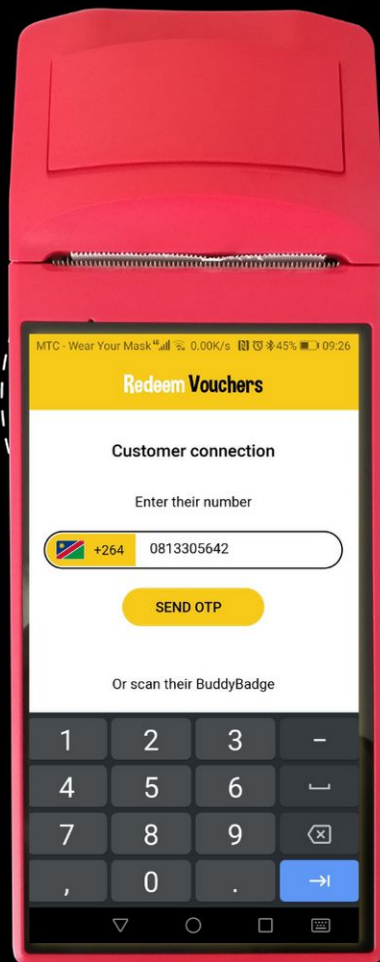

Food Voucher Donations

A client receives a food voucher via sms and is able to redeem this voucher at any Buddy Merchant.

No smartphone required.

The customer may redeem the voucher simply by providing their cell number. The number is entered into the POS device & an OTP is sent to the customer. This OTP is then entered on the POS device to confirm customer details, and the voucher can be redeemed.

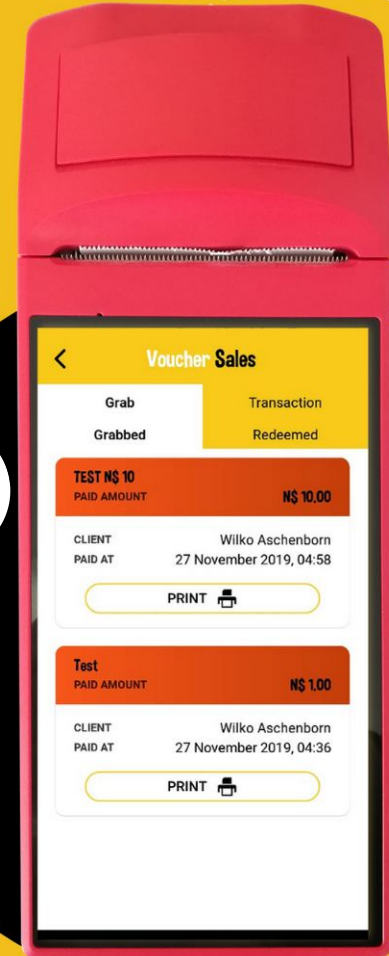

Voucher Sales

View Grabbed, Gifted & Redeemed Voucher Transactions

1. Vouchers Won in Games
2. Vouchers Grabbed by Users
3. Loyalty Vouchers given to Customers
4. Vouchers Gifted by Customers

Sell VAS

Sell + Earn \$\$\$\$
with our Value Added Services

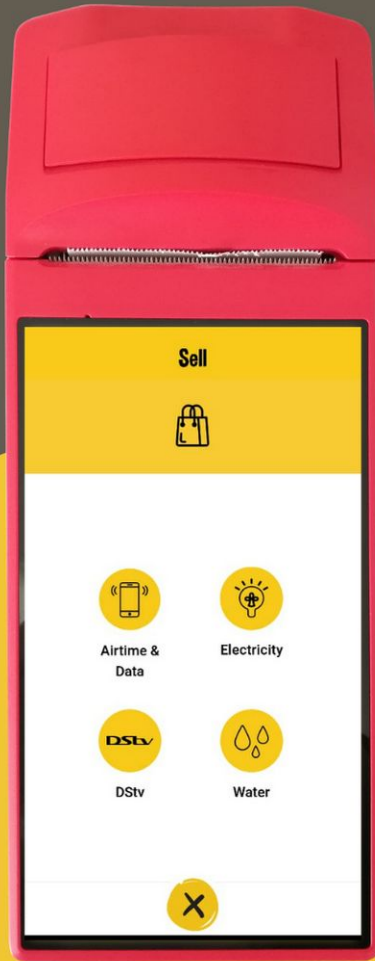

Sell Airtime, Water, Electricity and earn up to 9% commission on airtime & 1% on everything else.

2. Scan to redeem vouchers
3. Scan to play a WIN game
4. Used for customer verification, FIA & photo capturing

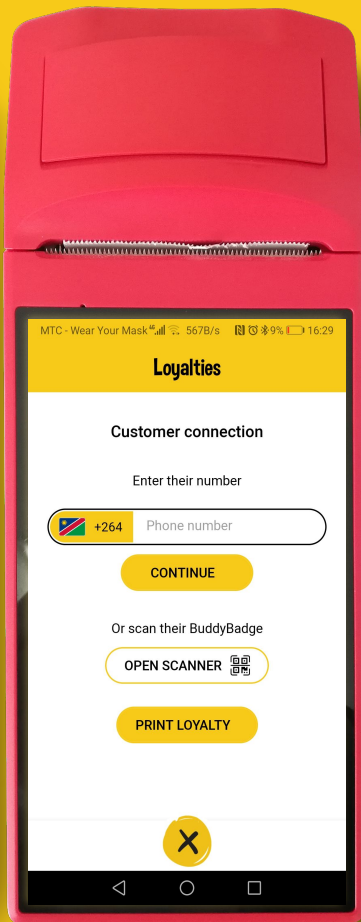

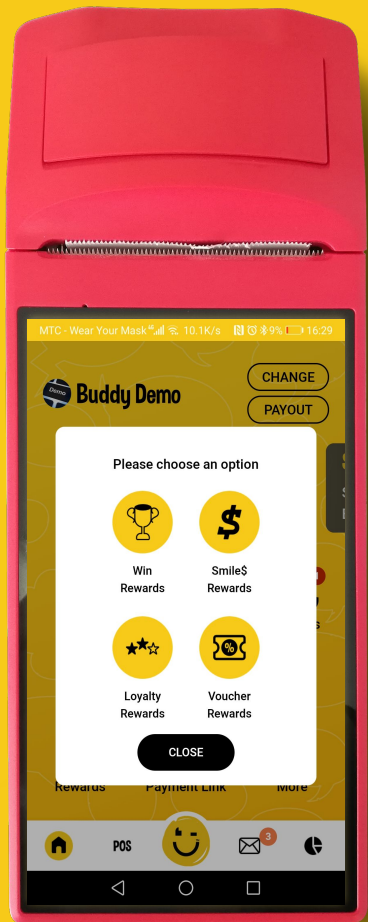

Rewards & Loyalty

Instant WIN Games, Digital Loyalty Badges & smile\$ Cashback

Setup multiple loyalty and rewards schemes for your business. Reward customers with instant digital scratch games. Reward customers with digital loyalty badges on purchases or visits to your store. Reward customers with Smile\$ or Business smile\$ cash back each time they pay or buy.

Rewards & Loyalty cont.

Instant WIN Games, Digital Loyalty Badges & smile\$ Cashback

GIVE loyalty,
smile\$ cash back
or instant win games via
SMS, print voucher, loyalty card or
by scanning a User's QR Badge in any
Buddy app.

Customer Database

GROW your Customer Database

Each time a customer makes a payment to your business via the Buddy Merchant App, their details are auto-saved to your client database.

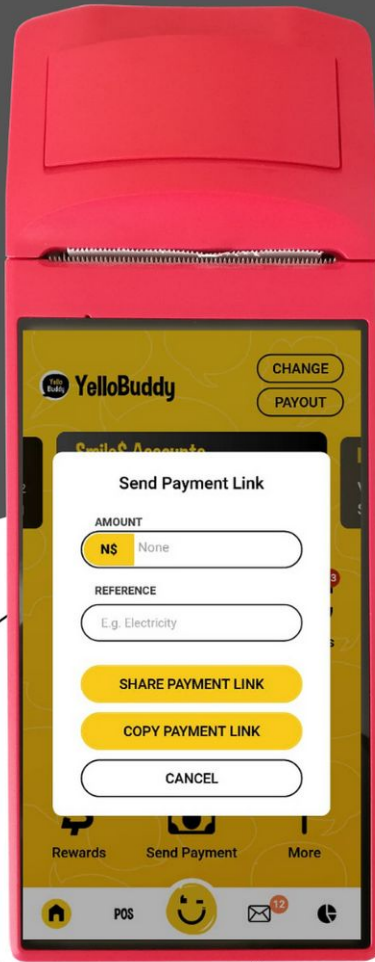

Buddy's Merchant App helps you provide your customer with the best possible experience and entices them to purchase directly with your brand. When your customer's experience improves, so does their loyalty to you.

Payment Link

Send your customer a direct payment link.

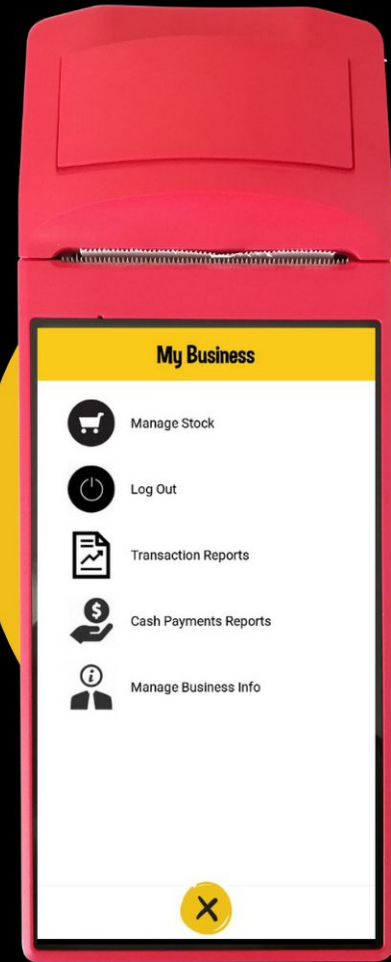

Simply enter the amount required, a reference of your choice and then share the payment link via WhatsApp, SMS or e-mail. You can also copy the link and paste it into the communication channel of your choice.
